

Haley-Greer, Inc. Receives National Excellence in Construction Award From Associated Builders and Contractors for 405 Colorado

Dallas, TX,—Haley-Greer, Inc. today announced work on the 405 Colorado in Austin, TX has earned the company a national Excellence in Construction® Eagle Award, presented during ABC Convention 2022 in San Antonio, on March 16. The EIC awards are the construction industry’s leading national competition that honors general and specialty contractors for world-class, safe and innovative construction projects from across the nation.

“For 32 years, ABC has honored award-winning construction projects like 405 Colorado because the work by the team at Haley-Greer, Inc. exemplifies the best of the best in construction,” said 2022 National Chair of the ABC Board of Directors Stephanie Schmidt, president, Poole Anderson Construction, State College, Pennsylvania. “This exemplary construction project was built safely and on time. It is an honor to congratulate Haley-Greer, Inc. for their hard work and showcase of construction excellence.”

This national EIC award honors every member of the construction team, including the contractor, owner, architect and engineer. The winning projects are judged on complexity, attractiveness, unique challenges overcome, completion time, workmanship, innovation and safety.

A panel of industry experts served as the competition’s judges. This year’s judges included representatives from the Smithsonian Facilities Construction Division, Construction Management Association of America, *Engineering News-Record*, Design-Build Institute of America, University Research Institute and various construction-related firms nationwide.

A full list of EIC winners is available on ABC’s website.
