

Haley-Greer, Inc. Receives National Excellence in Construction Award From Associated Builders and Contractors

Dallas, TX April 7, 2020—Haley-Greer, Inc. today announced work on the 2000 Ross Project in Dallas, TX has earned the company a national Excellence in Construction® Eagle Award, which will be presented during ABC Convention 2020 in Nashville, Tennessee, on Aug. 18. The EIC awards program is the industry’s leading competition that honors both general and specialty contractors for innovative and high-quality merit shop construction projects.

“The craftsmanship of Haley-Greer, Inc. and their hardworking employees continues to raise the bar when it comes to how we define excellence in construction,” said 2020 ABC National Chair Tim Keating, owner and president of R.C. Stevens Construction Co., Winter Garden, Florida. “It’s an honor to recognize these award winners for their respective commitments to building safely, on time and on budget, as well as contribute to the communities in which they work.”

The EIC award honors all construction team members, including the contractor, owner, architect and engineer. The winning projects, selected from entries across the nation, were judged on complexity, attractiveness, unique challenges overcome, completion time, workmanship, innovation, safety and cost.

This year's panel included representatives from Building Owners and Managers Association International, Smithsonian Facilities Construction Division, Construction Management Association of America, Engineering News-Record, Design-Build Institute of America and various construction-related firms nationwide.
